

# RIVAL<sup>®</sup>

GOURMET CAT FOOD

For all life stages

CHICKEN SUPREME

## CHOW-TIME TIPS *from Lucky, 2, Russian Blue / Obetz, OH*

### TAKE CARE OF OUR TUMMIES

When switching to Rival cat food from another cat food, allow 7 to 10 days for the transition. Mix increasing amounts of Rival cat food with decreasing amounts of your cat's previous food until you are feeding only Rival cat food.

### FOR THE EXPECTANT CAT

Food consumption may vary throughout gestation and lactation. During gestation, feed the amount necessary to maintain the weight of the pregnant female. During lactation, feed 2 to 4 times normal intake. Use the chart at right as a guide to feed cats daily.

### INGREDIENTS

Chicken, Meat by-products, Water sufficient for processing, Chicken by-products, Fish, Wheat middling, Carrageenan, Salt, Cassia, Guar gum, Potassium chloride, Taurine, Choline chloride, Garlic powder, Zinc sulfate, Niacin supplement, Ferrous sulfate, Vitamin E supplement, Thiamine mononitrate, Manganese sulfate, D-pantothenic acid, Copper sulfate, Pyridoxine hydrochloride, Riboflavin supplement, Vitamin A supplement, Folic acid, Potassium iodide, Sodium selenite, Biotin, Vitamin B12 supplement, Vitamin D3 supplement.

### FEEDING INSTRUCTIONS

For adult cats, feed 1 can daily per 6 pounds of body weight. For kittens, feed 1/2 can to 3/4 can 2-3 times daily per 6 pounds of body weight. Provide plenty of clean, fresh water at all times.

Rival Chicken Supreme Canned Cat Food is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for the growth and maintenance of cats.

### KEEP US IN PURR-FECT HEALTH

Take your cat to the veterinarian for regular checkups. Your cat's food requirements may vary depending upon breed, size, age, exercise, and environment. Keep fresh drinking water available at all times.
